Let's Give Back: For the last 5 years, due to a poor economy and delays in State and Federal Funding, the Quincy Public School system has had to endure budget cuts and lay-offs. The Quincy Public Schools Foundation was created in 1989 to aid in the funding of academic program enrichment, quality enhancement and extended learning opportunities in the Quincy Public Schools.

There are two ways we hope the **Class of 1982** can give back to the Quincy Public Schools:

Silent Auction: We need your help with this... We are asking all classmates to bring a Silent Auction Item to our reunion. Perhaps you could bring something local and unique from the city or state you live in. Maybe it is some memorabilia from QHS, something you crafted or tickets to an event...Anything goes! Be creative and bring something to auction off. Bid sheets will be placed in front of each item and bidding will end at 10pm. Proceeds will be donated by the "**QHS CLASS OF 1982**" to the Dream Big Campaign. For more information go to: <http://www.dreambigquincy.org/>

Quincy Public Schools Foundation: Circles of Investment - Class of 1982 Circles of Investment may be started with any dollar amount but is not expended for support until one year after it reaches \$10,000. Only the interest income is used and the principal will not be invaded. Donations of any amount can be dedicated to Circles of Investment Named "**Class of 1982**". For more information about the **Circles of Investment**, go to: <http://www.qpsfoundation.org/> You may make your donations directly through this website or you will have the opportunity to speak to a representative of QPSF the evening of our reunion.
